LAST RESORTÂ Â

Â

When a young American girl is abducted from the streets of Prague, there's nothing her father won't do to get her back-including personally tracking down her kidnappers. But when the former navy SEAL is captured by the same crime ring that has his daughter, no amount of money or U.S. government influence can save him. The only chance the father and daughter pair have of getting out alive is Mack Bolan. Â

Â

With half the police force on the take, finding the captives won't be easy. Especially since the ring's ruthless leader has declared war on Bolan-and anyone who might help him. But the Executioner can fight his own battles and, with a child's life at stake, this is one he refuses to lose.
